

An illustration of a MyQ KATUN Embedded 10.2 control panel. The panel is a tablet-like device with a black bezel, mounted on a grey base. It displays a user interface with a top bar showing a user profile icon and the name 'Lucy', and a right-side icon of a document with an arrow. Below this is a 3x3 grid of colorful buttons: green (Print 31), blue (Enter Copy), green (Easy Print), orange (Easy Scan - Cloud), green (My jobs), orange (Facial Scan), pink (Edit Account), yellow (Folder), and pink (ID Card Registration).
